

**Our meeting place:** Piano Works Creative Artists, 2nd floor Suite 2760  
349 West Commercial St, North Entrance 349-3  
East Rochester NY 14445

**Time:** 9:00 - 10:30am every Tuesday morning

The meeting will still be about an hour long, though the space will be available for us to stay and chat afterward.

**Directions:** The Piano Works is easily found when taking I-490 to East Rochester, since the exits are to West Commercial St. If you already know the area or prefer to use GPS and stay off I-490, you know enough to get to the piano works from other routes as well.

From the I-490 exits take West Commercial St until you see the Piano Works on the left and Wendy's ahead on the corner. Turn left onto the Piano Works entrance nearest Wendy's and continue straight ahead between the two buildings. Just past the buildings turn left at the stop sign. Continue to the 3rd entrance, 349-3 (I've enclosed a photo of the entrance), and park in the parking area on the right.

After entering entrance 349-3 open the steel door on the right. As soon as you go through that door the elevator is on your right. Take the elevator to the 2nd floor.

When you get off the elevator go straight ahead to the hallway and turn left. Our meeting place is through the 1st door on your left. Look for the ABG logo. After you go in head down the short hallway and turn right. You'll find our meeting space ahead on the right.
